Contract revised 11/26/2022

I authorize Heatherwood Golf and Country Club to charge my credit card for any and all fees associated with my membership account. I understand that unless explicitly specified otherwise, my bill will be auto-drafted from this card each month. It is my responsibility to update this card if it becomes invalid for any reason.

I agree to follow all club rules and understand that my failure to do so may result in my membership being suspended or terminated at Heatherwood GCC's discretion.

I understand that this membership will remain valid until January 1st, 2024. At that point, I understand that membership rates may change for the new year. I understand that unless I tell Heatherwood GCC otherwise by December 31st, 2023, should I have a monthly membership my membership will automatically renew. If I have an annual membership, I understand that it will not automatically renew.

I understand that unless I provide Heatherwood GCC with a credit card to save on file, I will not be allowed to carry a credit account. Failure to pay off my account for two (2) consecutive months will result in my account being frozen. My credit account may be reactivated at Heatherwood GCC's discretion.

Should I wish to cancel my membership at Heatherwood GCC for whatever reason, I understand I must pay off any open charges on my credit account and submit a letter of cancelation to Heatherwood GCC either in physical writing or via email by the end of that month. I may ask to temporarily suspend my own membership should I become physically unable to use my membership due to injury or unforeseen circumstances outside of my control.

I understand that my membership payments are non-refundable outside of error on the part of Heatherwood GCC. Failure to cancel my membership before the beginning of the next month does not constitute an error on the part of Heatherwood GCC.

With my signature below, I certify that I have read, understand, and agree to the above requirements for membership at Heatherwood Golf and Country Club.
